

The Advantage® and Advantage® Deluxe projection screens are Da-Lite's newest addition to its line of ceiling recessed products. Specially designed and engineered for projection screen widths from 14 to 24 feet, the one piece precision extrusion is the first of its kind in the industry. The innovative full length closing door is a proprietary design unique to the new line of Da-Lite Advantage® Deluxe screen cases. The motorized continuous closure is standard on the Advantage Deluxe.® The Advantage® case has the same features as the Deluxe without the closing door.
