

BASIC MANUAL SCREEN

The manual screen is a classical and price worthy screen that fits in different kind of environments. It comes well in hand in office presentations and as a compliment to your TV back home. This is a screen for the "first timers" with a smaller budget!

SCREEN CASSETTE / COLOUR

The screen cassette is made of sheet iron painted dull white.

SCREEN FABRIC / GAIN

The screen fabric is white with a base of polyester covered with PVC for a smooth surface. The gain value is 1.1.

BLACK BORDERS / BLACKDROP

The picture area is surrounded by 3 cm wide black borders on both sides and underneath. Above the picture area, there is a so called blackdrop up to 90 cm, depending on the size and format of the screen. This KINGPIN screen has a black reverse side for better contrast and depth, and to prevent leakage of light.
